ACTION PLAN 2014-15

Tasburgh Parish Council will publish an action plan annually in May. The Plan will be drawn from the budget which is set in January and which includes project expenditure for the forthcoming year; and from matters raised by members of the public during the Annual Parish Meeting.

Tasburgh Parish Council will continually review the action plan, and will add any matters as required through the year.

Tasburgh Parish Council's objectives for 2014-15 are:

- To install a defibrillator at Tasburgh Village Hall.
- To work with developers to improve the footpath at Hall Farm.
- To continue to progress the installation of a kissing gate at the Heritage Field from Church Hill.
- To install the prototype village sign in Lower Tasburgh.
- To improve the access to the allotment sign.
- To consider community safety and the possible implementation of a Neighbourhood Watch scheme where there is sufficient demand.
- To continue to contribute to the planning process for the Long Stratton development and bypass.
- To work with Tasburgh United Charities to provide a long term management arrangement for Burrfield Park.
